

Ayush Rai

Java Full Stack Developer | B.Tech CSE (AI & ML)

Phone: 8052100555 | Email: raiayush2003.2021@gmail.com

Galgotias University | CGPA: 7.8/10

CAREER OBJECTIVE

Motivated B.Tech CSE (AI & ML) student at Galgotias University with a strong interest in Java Full Stack Development, Python, AI/ML, and web application development. Seeking opportunities to apply technical skills in real-world projects.

EDUCATION

B.Tech CSE (AI & ML), Galgotias University	2024	2028
CGPA: 7.8 / 10	Greater Noida, Uttar Pradesh	

TECHNICAL SKILLS

Java, Python, HTML5, CSS3, JavaScript

React.js, Spring Boot, JDBC, Servlets, JSP

SQL, MySQL, Git & GitHub

Machine Learning, Pandas, NumPy, Scikit-learn

Data Structures & Algorithms (Java/Python)

INTERNSHIP

EduSkills Academy (AICTE Approved)

Python Full Stack Development Virtual Internship (Ongoing)

PROJECTS

Advertising Sales Prediction: Built a Linear Regression model in Python and evaluated it using MAE, MSE and R Score.

Titanic Survival Prediction: Performed data preprocessing, feature encoding and classification model training.

Java Full Stack CRUD Application: Developed a CRUD web application using Java, JDBC, Servlets, JSP and MySQL.

CERTIFICATIONS

Oracle AI Foundations

NPTEL Machine Learning

Red Hat Certification

EduSkills AICTE Virtual Internship

ACHIEVEMENTS

Active LeetCode problem solver in Java and Python.

Hands-on AI/ML and Full Stack Development projects.

Strong interest in backend development and AI applications.
